

Ghanshyam Nursery School

'laying the foundations for life'

We strive to provide the highest quality childcare facilities and personnel for the social, personal, cultural and religious advancement of the child

Autumn 1 - 2024 Newsletter

We are excited to welcome everyone to the beginning of a new academic year. As we embark on this journey and look back on the previous year, we're all eager to return to our familiar routines with rich learning environment.

We would like to extend a warm welcome to the new families joining Ghanshyam Nursery School. Rest assured, we will continue to focus on delivering 'quality first learning' and maintaining our high standards; with your support.

We would like to encourage all the new families to visit our website at www.get.sksst.org and familiarise yourselves with our policies and procedures. This is where you will most likely find answers to most of your queries and questions.

All the parents must use the rear car park at all time

What we will be learning

As a whole nursery, this term the children will learn about settling back to nursery; making new friends and knowing themselves. The children will learn about autumn; different aspects of weather change in the environment; all about me - body parts, emotions; constructing their houses; drawing and knowing their own families while developing their personal social and emotional development; expressive arts, physical development and communication and language. We will be celebrating different festivals as Ganesh Chaturthi, Krishna Janmashtmi and Rosh Hashanah.

HAPPY BIRTHDAY!

September

Astha
Vanessa
Ari
Vyas
Niam
Hanisha
Harvey

October

Zeeva
Madhav
Veer
Niyam
Amaya
Kiyana
Sia

Deposits and refunds

We will be able to finalise the leaver's account once any money is received and accounted for from HRMC, if it results in any overpayment, we will refund this together with the deposit. This generally happen by end of September. By the middle of October, all the leavers would have got their final statements with refunds, if any. Parents who have deficit will be asked to settle their final account.

Schools

School admissions for September 2025 needs to be submitted before 14th January 2025. The website address for admission registration is www.eadmission.org.uk

Child Absences

If your child is going to be absent for any reason, kindly email the nursery before 8.30am so we can plan staffing and activities accordingly. For planned absences, please let us know in advance.

Children's lateness

It's vital that children are dropped to the nursery on time (ideally before 9:00am) and picked up after 4:30pm. The lateness disrupts children's learning and interrupts staff's teaching. Children who arrive later will miss out on their breakfast and key morning routines. We will not be able to accommodate breakfast thereafter as the staff will be teaching and the kitchen staff will be preparing for lunch.

Nursery Contact

Please can all parents ensure they have the nursery mobile number stored on their phone. The mobile number is 07513 875936. This is to be used for emergency purpose only.

All emails to the nursery should go to:

enquiries.gns@sksst.org

Government funding and grants

For the parents who are new, please note that we cannot give a breakdown of the funding we receive from the council as they do not provide any details of funding on individual children. We only get a total figure per child which is distributed over the term. Our finance team, through years of experience deal with this internally and all the funding is allocated to all the children based on 15/30 hours. All the children receive the full funding as issued by the council.

Parents are responsible for completing all the sections of the funding form accurately and submitting to the nursery on time.

The first three days whilst the children are settling are not charged. Thereafter, the charges are applicable on a monthly basis or daily basis, maximum being the monthly charge.

We have attached the next year dates for the events and the new 4 weekly rolling menu.

We are able to provide exception for children with medical needs and food allergies/allergens only. Any changes to the menu will reflect on the Ey app.
